

Make theatre your place!

The project is called "Open Houses".

In the project, you get to know theatres in three countries.

You visit theatres in Germany, France and Romania.

You think about these questions:

What can be done so that **everyone** likes going to the theatre?

What can be done so that **you** like going to the theatre?

We want to change theatre so that everyone likes going to the theatre!

If you take part:

- You get to know the Kampnagel theatre in Hamburg.
- You talk to artists.
The artists work at the theatre.
Actors and dancers are also artists.
- You learn about culture.
Culture is everything that has been made by people.
Culture can be: music or art or theatre, for example.
- You talk about diversity in theatre.
Diversity means different people.
- You meet new people in Hamburg.
- You travel with us to France and Romania.
There you get to know other theatres.
There you get to know other young people.

Taking part **does not** cost any money.

There is the 2G+ rule.

The 2G+ rule means:

You have to be vaccinated or recovered.

Recovered means: if you had Corona and are now healthy again.

And: You have to be tested. You have to wear a mask.

You can register, if:

- You are between 18 and 29 years old.
- You can come to Kampnagel 2 days a month (always on Saturday).
- Kampnagel is in Hamburg, in the district of Barmbek.
- You are interested in the project.
- You want all people to be able to visit the theatre.
- You want to travel to France and Romania.
 - ➔ You can also take part if you can only stay in Germany.
 - You can also take part if you can't travel to another country.
- You want to meet new people in France and Romania.

The project is for everyone.

For example, for:

- People with and without experience with theatre
- People who know a lot or a little about theatre
- People who often or never visit the theatre
- People with and without disabilities
